Erasmus+ 2020 in numbers

Erasmus+ strengthens education and youth systems and improves employability through funding for education, training, youth and sport. Between 2014 and 2020, Erasmus+ has given 3.7 % of young people in the EU a chance to study, train, volunteer or gain professional experience abroad. The budget for Erasmus+ was €3.37 billion in 2020. National Agencies are responsible for managing most parts of the programme in each country.

EWP Stats Portal

The screenshot displays the EWP Stats Portal interface. At the top left, there is a logo consisting of a network of nodes and lines, followed by the text "EWP Stats Portal". Below this, a subtitle reads "Provided and supported by the Erasmus Without Paper project". A search bar is positioned below the subtitle, containing a magnifying glass icon and a "Search" button. Underneath the search bar, there are three icons representing different features: "Filters" (represented by a vertical slider icon), "Charts" (represented by a bar chart icon), and "Monitoring" (represented by a computer monitor with a pulse line icon). On the right side of the interface, there is a large magnifying glass icon over a house icon with a graduation cap, surrounded by several smaller house icons with graduation caps, all set against a background of clouds.
